National Disinfection Programme

All DP World Customers and Port Users

The National Disinfection Programme announced by the Ministry of Health & Prevention (MoHAP) and the Ministry of Interior (MoI), in collaboration with relevant federal and local authorities of the UAE, entails complete sterilisation of all public utilities, public transport and metro services from today, 26th of March 8pm till Sunday 29th of March 6am.

The drive expects all UAE citizens and residents to stay at home during the disinfection time, and only go out when it is absolutely necessary to get essential supplies, such as food and medicine, or working in vital sectors.

Therefore, we encourage all our Manpower Supply Service Providers to carry their Emirates ID and Employee ID issued by DP World while entering Jebel Ali Free Zone and Jebel Ali Port.

Kindly note that during the disinfection period, all DP World Customers and Port Users will also be required to present their Emirates ID, Employee ID and necessary permits.

We thank you for your constant support and cooperation. Should you require any further clarification, please feel free to contact Dubai Trade.
