**Dear Valued Clients,**

**Subject: Mirsal 2 declaration implementation for Hamriya port (Costal)**

This is to announce that Dubai Customs is introducing new solution for Vessel and Manifest Management effective 13th January 2020.

As part of this, Dubai Customs will also be implementing Mirsal-2 Declarations and Inspection for all types of goods movements through Hamriya Coastal Location.

For Mirsal2 services via Dubai Trade online and Dubai Customs Bureau offices, **Customers (both Brokers and Consignees) should ensure that a valid Mirsal2 Business Code is available**. For any queries related to Mirsal-2 Business Code registration, please contact Dubai Trade (600 555554) or Customs Call Center (800 800 80)

***Mirsal-2 Declaration*** services shall be available through Dubai Trade On-Line service as well as Dubai Customs Bureau offices. Following are the salient features of Mirsal2 Declarations at all Coastal Locations including Hamriya.

1. On-Line submission for New, Amend and Cancellation of Declarations;
2. Risk based Declaration Clearance;
3. High Priority in CDM for risk mitigation;

4. Provision to amend / cancel the On-Line submitted Declarations at Dubai Customs Bureau offices of Coastal Locations;
5. Provision of direct assignment of Inspection tasks to Inspectors without booking and planning;
6. SMS to Customers on Declaration clearance, rejection, suspension etc.

Further, ***Manifest Management*** solution has the following main features.

1. Submission and issuance of Empty Manifest and Cargo Manifest;
2. Auto-population of Manifest data based on declarations and vessel registration information;
3. Provision for amendment and suspension of Manifests;
4. Facility to re-generate manifest after suspension if declarations are modified or added or vessel information is changed;
5. Calculation and collection of Manifest related charges through Debit Account of vessel master;

This will also lead to de-commissioning of Mirsal-1 Declaration, Vessel Management, and Manifest services at Hamriya Location.
