➢ PROCESS TO UPDATE THE AGENTS DIRECTORY

Note: **Follow option A for Floppy Drive PC**
Follow option B for Laptops and Non Floppy Drive PC

A. Floppy Drive PC

Insert DPAMAN Agent's Disk into the Floppy Drive (Provided by Dubai Trade)

Open Windows Explorer and Select Drive A:

Double Click on **DPAMAN.BAT** file
System will execute the batch file under DOS prompt window
This process will Unzip the **MRC.ZIP** file

System will close the DOS prompt window automatically

B. Laptops and Non Floppy Drive PC

Copy **MRC.ZIP** file on your desktop (Provided by Dubai Trade)

Unzip the file

Copy the unzipped file into **C:\\PWMRC\PB5DK**

➢ DPAMAN is now ready to work

➢ **Login & Password Information**

1. **Preparation of Cargo Manifest**

   Go to START/ PROGRAMS/ MANIFEST
   User Name = MRC / Password = MRC

2. **Admin -** Incase of any addition, deletion or amendment in Lines, Company Name etc.
   (Use only when required under Dubai Trade Agent's Instructions)

   Go to START/ PROGRAMS/ ADMIN
   User Name = SUPER / Password = SUPER

Follow the steps mentioned below, if you encounter any error or login problem

- Uninstall DPAMAN
- Restart your PC
- Delete the PWMRC directory from C:\ Drive
- Repeat the Installation process again

Thank You
